HAVE GONE TO TEXAS CONFERENCE

Report of the First Methodist Church for Year Highly Satisfactory.

Rev. and Mrs. Glenn Flinn of the First Methodist church of this city left last night to attend the annual session of the Texas conference at Marshall. The conference will be presided over by Bishop E. D. Mouzon of San Antonio.

Not only the congregation of the Methodist church, but Christian people of all denominations entertain the hope that Rev. Flinn will be returned to the pastorate of the church here.

Following is a short report of the work of the church during the year:

Total membership, 532.
Number received during year, 67.
Raised for all purposes during year, \$7572.42.
Some prominent items of the above amount are: Pastor and presiding elder, \$2365; home missions, \$491.05; education, \$725; local charity, \$219; foreign missions, \$1490.85.
The report from the standpoint of money raised for purposes other than local is the best in the history of the church.

General Stoddard Honored.
Gen. H. B. Stoddard of this city, past grand master of the Knights Templar of America, has just received an invitation to attend the Grand Priory of England, at London on December 13. His is the only invitation of the kind coming to Texas, and there are but two others in the United States.
